Date: 20 - 24/09/2020

Conference Language(s)

English/German

Information for Exhibitors and Sponsors

PANGEO AUSTRIA 2020, to be held in Leoben from 20th to 24th September 2020, represents the main conference for geoscience-related research in Austria. Biennially organized by one of the five national universities in the field, the event represents an important cornerstone for networking between industry and academia, the promotion of interdisciplinary activities, as well as the support of young academics in geosciences and related fields.

PANGEO AUSTRIA 2020 aims at a broad scientific program and invites contributors from all earth science and raw material-related disciplines. Following up on the last PANGEO held in Leoben in 2010, the conference will emphasize applied aspects related to mining and the utilization of raw materials and geoenergy.

Exhibition

The exhibition venue will be located in the foyer and the corridor of the first floor in the new part of the main university building in Leoben. All centralized events, plenary lectures and sessions will take place there as well. Booth spaces are available in either 5 m² or 10 m² size, and also larger on request. The price per 5 m² booth space includes the registration fee (incl. conference dinner) for one person and the booth itself with a table, chairs, power supply (230 V) as well as internet access (WiFi). Participation of exhibitors will be listed on the conference website and in the conference proceedings. Additional sponsoring options include a company logo representation at the conference homepage, or an advertisement printed in the conference booklet. Please use the enclosed form ("Sponsoring"). If larger booth space, extra poster walls, or other additional facilities are required, please contact the conference organizers (see contact information below).

Before the official conference opening at the Icebreaker on Sunday 20/9/2020 (06:00 pm), all exhibitors will have the possibility for a short presentation. The exhibition will close on Wednesday 23/9/2020 (02:00 pm). Additionally, there is the possibility for an outdoor presentation of geophysical equipment, if requested in advance.

The deadline for booth reservation is 30th April 2020.

The location of your booth depends on the time of registration and on the availability of slots with the respective size. The organizational committee reserves the right to change booth locations shortly prior to the event, if the necessity arises.

Sponsoring

To increase the visibility of your company or organization during the conference, we offer three premium sponsoring-packages. We would like to meet your requirements and arrange an individual sponsoring package for your needs – therefore, please contact the conference office before booking, to discuss individual options.

GOLD	SILVER	BRONZE
<ul style="list-style-type: none">→ 10 m² booth→ Table(s) and chair(s), poster wall, power supply, WiFi→ Logo on website and conference bag→ Full page advertisement in conference booklet→ 2 tickets for conference and evening program→ Sponsoring of 1 coffee break (company representation at the coffee point)→ Insert in conference bag→ Sponsoring of conference dinner (logo on the menu, reference at opening)	<ul style="list-style-type: none">→ 5 m² booth→ Table(s) and chair(s), poster wall, power supply, WiFi→ Logo on website and conference bag→ Full page advertisement in conference booklet→ 1 ticket for conference and evening program→ Sponsoring of 2 coffee breaks (company representation at the coffee point)→ Insert in conference bag	<ul style="list-style-type: none">→ No booth space→ Logo on website and conference bag→ Full page advertisement in conference booklet→ 1 ticket for conference and evening program→ Sponsoring of 2 coffee breaks (company representation at the coffee point)
2500 EUR	1500 EUR	500 EUR

Further individual advertising options (please contact conference office):

- Inserts in the conference bag (flyer, pencils, etc.)
- Sponsoring of the Monday evening public lecture
- Travel support for students and young academics with own presentation
- Advertisement in the conference booklet
- Logo on the website
- Logo representation in the session rooms during the breaks

Networking

The conference will be a great possibility for networking between employers and potential new employees. Many participants of the conference are about to complete their university degree and are looking for a job. Therefore, we would like to use the occasion to promote contacts between your company and potential candidates. To all exhibitors and sponsors we offer (free of additional charge):

- a bulletin board for job advertisements and optional seminar rooms for interviews

Registration for Exhibitors

Email or mail to:

Montanuniversitaet Leoben, Chair of Petroleum Geology, Peter-Tunner-Strasse 5, AT – 8700
Leoben, Austria

Email: pangeo@unileoben.ac.at

Company/Organization:.....
