**PANGEO**

**AUSTRIA 2020**

MONTANUNIVERSITÄT LEOBEN

1.Circular (10/2020)

“PANGEO AUSTRIA 2020”

Beyond Earth Science Frontiers

**PANGEO AUSTRIA 2020**, to be held in Leoben from 20<sup>th</sup> to 24<sup>th</sup> September 2020, represents the main conference for geoscience-related research in Austria. Biennially organized by one of the five national universities in the field, the event represents an important cornerstone for networking between industry and academia, the promotion of interdisciplinary activities, as well as the support of young academics in geosciences and related fields.

PANGEO AUSTRIA 2020 aims at a broad scientific program and invites contributors from all earth science disciplines. Following up on the last PANGEO held in Leoben in 2010, the conference will furthermore emphasize applied aspects related to mining and the utilization of raw materials and geoenery.

### **Conference Convenor**

Department for Applied Geosciences and Geophysics  
Montanuniversitaet Leoben  
Peter-Tunner-Straße 5  
8700 Leoben

### **Location and Date**

Montanuniversitaet Leoben  
Franz-Josef-Straße 18  
8700 Leoben

Date: 20 - 24/09/2020

### **Conference Language(s)**

English/German

## **Preliminary Conference Program**

- 20/09/2020 Pre-Conference Excursion & Icebreaker
- 21/09/2020 Opening, Technical Sessions and Plenary Lectures, Honours  
Public Lecture and Monday Evening Program
- 22/09/2020 Technical Sessions, Conference Dinner
- 23/09/2020 Technical Sessions (half-day), Second Excursion (half-day)
- 24/09/2020 Two parallel Post-Conference Excursions

## Preliminary Session Program (may be subject to changes):

1. Geenergy (Oil, Gas, Coal, Secondary Storage, Geothermal Energy)
2. Sedimentology/Stratigraphy
3. Geophysics
4. Hydrogeology and Hydrochemistry
5. Economic Geology
6. Advanced Structural and Geochemical Characterization of Geomaterials
7. Regional Geology and Geodynamics
8. Structural Geology
9. Young Sediments
10. Applied Mineralogy
11. Igneous and Metamorphic Petrology
12. Paleontology
13. Chronostratigraphy
14. Geoscience and Archeology
15. Engineering Geology and Geohazards
16. Mining

## Special sessions:

17. Landesgeologie im Dienste der Bevölkerung
18. Teacher's program

The mining-related sessions will be held in partnership with the  
**EUREG (European Rock Extraction Research Group) Symposium 2020.**

## Preliminary Field Trip and Excursion Program (may be subject to changes):

- Spodumene (Lithium) Prospect Koralpe
- Erzberg/Zentrum am Berg
- Magnesite (locations to be announced)
- Sandvik Tour

## Registration and Payment

**Registration** will be open from **15/01/2020**. Further information incl. final session program and details about abstract submission will be posted in the second circular (01/2020).

**Abstract deadline: 30/5/2020**

### Conference fees:

	until 30/6/2020	after 30/6/2020
Members	220,-	260,-
Non-members	270,-	300,-
Student members	120,-	160,-
Student non-members	160,-	200,-

This covers access to all technical sessions (incl. the EUREG Symposium), a printed conference program and a digital book of abstracts, coffee breaks, icebreaker, conference dinner, as well as entrance to the public lecture and Monday evening program (details to be announced).

Student members of the Austrian Geological Society might be eligible for travel and participation grants. For details, please contact:
